Sir:

Applicant herewith submits a list of references potentially material to the claims of the above-referenced application, and which have not already been made of record herein. A copy of each of the references is submitted herewith.

This submission does not represent that a search has been made or that no better prior art exists. While the term "reference" is used in citing each of the publications called to the Examiner's attention herein, applicant does not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

I hereby certify that this correspondence and/or fee is being deposited with the United States Postal Service as first class mail in an envelope addressed to "Assistant Commissioner for Patents, Washington, DC 20231" on June 5, 2002.

Applicants respectfully request that the Examiner independently determine those items that the Examiner would consider the most pertinent of all the references cited herein.

The fee for submitting an Information Disclosure Statement under 37 C.F.R. §1.17(p) of \$180 should be charged to Deposit Account No. 50-0266.
